

Summer 2025

Greetings valued business owner,

Mounds View High School has a long tradition of hardworking and successful sports programs. The Mounds View Viewettes Dance Team is no exception. This program carries on this tradition by fostering teamwork, building leaders and creating strong community members in addition to producing amazing student athletes! We are excited to reach out to local businesses to share a little of our past success and plans for this season, along with our ask for your support to ensure the continued growth of this program.

Last season the Viewettes Dance Team earned Conference Runner-Up for both the Jazz & Kick divisions. During the 23-24 season we were honored to earn SEC Conference Jazz Champions and Kick Conference Runner-Up. In 2022 we achieved Jazz & Kick Champions for the SEC Conference. We were also honored to Place 1st in our Section for Kick and 3rd Place for Jazz advancing our team to the State Tournament in both categories.

We are positive your sponsorship contribution will help us significantly, allowing us to purchase additional uniforms, music editing, training equipment, help with transportation costs, help with funding for team building activities, guest professionals, team meals, and so much more! All of these things will assure we have a strong and successful season. We will recognize our sponsors at our home events, on our website, and with social media posts because our dance team season wouldn't be possible without the generous support of our sponsors.

We want to give this team every opportunity to accomplish their future goals and hope that you will join us by sponsoring these incredible female athletes for the 2025-2026 season. Information detailing our sponsorship packages is attached. You are welcome to choose from our packages or determine your own donation level. Thank you in advance for your consideration!

With sincere appreciation,

Katie Amundson
